JOIN US FOR THE AAASP ADAPTED TRACK & FIELD COACHING CLINIC | WED., OCT. 22, 2025 | 9am–3pm

BARRY EWING, CLINIC INSTRUCTOR

The clinic will be led by Barry Ewing, former Paralympic track and field coach and current owner of Eagle Sportschairs, in collaboration with AAASP and GHSA Track and Field. The event is **open to all coaches across the state of Georgia, regardless of your current involvement with AAASP.**

This clinic is designed to support coaches at all experience levels who are working with or interested in starting an adapted track and field programs.

The clinic will include instructional sessions on best practices in coaching both wheelchair and ambulatory track and field athletes.

Topics will include:

- event-specific training strategies
- equipment recommendations
- athlete development
- rules specific to adapted events

Whether you are new to coaching, or looking to expand your knowledge in the area of adapted track and field, this clinic will provide valuable resources, hands-on learning opportunities, and a chance to network with fellow coaches and experts in the field.

We look forward to seeing you on October 22!
